Arrivals

I'm writing this as my daughter travels to Italy to visit Florence and Rome as part of her Art History studies. She is flying to Pisa and I'm able to keep an eye on her progress by looking at the Arrivals board on Pisa airport's website. I found it by using one of the links on the News and Notes website. Although the N&N site is very basic, there are quite a few useful links as well as access to the latest edition of News and Notes, and past copies too!

Talking of arrival times, you'll see elsewhere in N&N the new 44 bus timetable which replaces the existing Pulseline one. It reflects a somewhat reduced service, but at least we still have a bus!

A recent arrival in Nunton was the creamy white cat whose appearance was announced in last month's edition. Although no owner has come forth yet, I gather "Daisy" is being very well looked after in the meantime! I did use my N&N e-mail distribution list to enquire about the cat's owner, as the list provides a way of getting a message out quickly. I use it sparingly and would love there to be more addresses on it. If you'd like to be included, please email me (see foot of page). You may be familiar with the acronym APB which is used by police in the USA and means All Points Bulletin. At the moment, I can only manage an SPB (answers on an e-postcard).

Another arrival to the N&N area is Max Morgan whose birth is announced within. I've had the pleasure of meeting Max and it's easy to see why Anna and James are very proud new parents. It's good to be able to include details of births in N&N and, of course, announcements of other events, happy or otherwise, like marriages and deaths are always welcome too. I can't attempt to track down such information and, in any event, would not want to presume by including announcements without permission from those concerned. However, if readers would like to let me know about these things, I'll be very pleased to include them.

Editor (I'm pleased to report that Caroline's plane has arrived safely in Pisa!).

WI Meeting - 8th February 2010

Anna Treseder

Sue Bourne, President, opened the meeting by welcoming fifty six members to our first meeting of the year. January's meeting was cancelled because of the inclement weather. Barbara Robertson brought a beautiful arrangement of pink and white flowers for the President's table. Claire Hendicott confirmed dates for forthcoming theatre visits, Sue Bourne admitted that the Scrabble team had (yet again) been beaten by Laverstock WI in a recent match, and Margaret Barrow updated members on Skittles matches and asked for volunteers to join the team. Sheila May gave the Treasurer's report and reminded everyone that subs are now due.

WI correspondence and details of forthcoming social events were read by Jean Van Hagen and Pam Trubshaw. There will be an extra WI meeting in the Radnor Hall on Monday 29th March which will be a tutorial in flower arranging given by five members. The arrangements will be raffled at the end of the event. Elizabeth Cutter reported on the Reading Group and Liz Stubbs confirmed that the next Walking Group outing will be a snowdrop walk in the Chalke Valley on 22nd February. Anne Waight won the flower of the month competition with a seasonal snowdrop! Sue thanked Suzie Appleford for organising the Christmas Lunch at the Emblems which had been a great success. Debby Underhill asked for volunteers to join the Link Scheme as drivers or carers to help local people.

After coffee Mr Bill Moore gave an excellent talk on "The Mary Rose, Past, Present and Future". He was one of the team of divers who recovered the Mary Rose between 1979 and 2003 and is now one of 24 fundraisers who give talks to raise money for a magnificent new museum which is being built in Portsmouth to display the preserved timbers of the historic vessel and the 19,000 items that have been found. It will be completed in 2016. Bill was authentically dressed as a Tudor mariner, in doublet, hose, leather shoes and felt hat. He had made everything (except the hat) himself, and also brought a fascinating selection of copies of original artifacts, again made by himself.

Peggy Knight thanked him very much on our behalf for his interesting, informative talk.

The Annual General Meeting will take place on 8th March at the Radnor Hall and will include voting for a new President and some new committee members and the extra meeting will be on 29th March.

Odstock and Britford Primary Schools amalgamation

As you will have read in recent News and Notes, our schools have been going through a process of consultations in relation to amalgamating.

This process is now at an end and the new joint school is due to come into being on 1st April this year.

The joint governing body will soon be starting formal consultations with the residents of the surrounding areas, the Church, the Parish Council, parents, children and other interested parties, particularly in relation to uniform and the name of the new school.

At this stage we are inviting you to start thinking of ideas (watch this space!). The decision process will take some time and further consultations will follow in due course. Although the new school will be in place from 1st April, the physical changes such as the new uniform will not be implemented until the beginning of the new school year in September.

This is a very exciting time for all concerned and we would like the school to be very much a centre for the whole community.

Broad Chalke Primary School Fundraising for playground equipment

Friends of Broad Chalke School are trying to raise £25,000 to improve the facilities in the playground. The plans include the installation of a timber trail and climbing apparatus and the creation of a sensory garden. They have already raised £4,000 and their next big event is a Spring Fair on Saturday 13th March 10.30am - 3.00pm at the school.

At the Spring Fair there will be a 25ft climbing wall which anyone from 4 - 84 can have a go on, as well as face painting and children's arts & crafts. There will be Mother's Day gifts and flowers, cakes, craft stalls, raffle, tombola and lots of local traders stalls. Refreshments will be served all day. A FUN DAY OUT FOR ALL THE FAMILY - and get your Mother's Day gifts without trudging into town!!!

Waste consultation

Wiltshire Council Press Release

A planned public consultation into possible changes to Wiltshire's waste and recycling service will not take place ahead of the General Election.

The consultation was due to start shortly but it became clear that differing national policies emerging from Whitehall have caused confusion and uncertainty regarding future waste and recycling services. It would, therefore, not be appropriate to hold a consultation until the council has a clear steer on the national policy following the General Election.

The consultation was due to put forward a number of options for the refuse collection and recycling services which currently differ from area to area across the county.

Council leader, Jane Scott, said: "I would like to apologise to local people in Wiltshire for having to withdraw this consultation which we had committed to do. We did not want to waste local people's time or money in seeking their views when we might be unable to implement their preferred option. In the meantime, our waste and recycling services will continue to operate as currently provided."

(For further information please contact the Wiltshire Council press office on 01225 713115/6 or 01225 713664)
